

**STEM** PERSON  
OF THE  
**STEM** WEEK

## Penny Day Innovation Officer

Penny's job is to help companies find out how new technology can help them. To support the companies, she needs to be **open-minded** and has to think **creatively** about how to use new technology in different situations. Penny is also **tenacious** so that when projects are challenging she is able to see them through.

**Open-minded**

**Tenacious**

**Creative**

## ***This week's attributes:***

### **Open-minded**

Open-minded people are willing to listen to new ideas and respect other people's views and opinions.

### **Tenacious**

If you are tenacious, you are able to stick with something difficult until it is finished.

### **Creative**

Creative people make new things and have original ideas.
