

STEM PERSON
OF THE
WEEK

Tristan Canfer

Electronic Engineering Apprentice

Tristan's role involves building, testing and fixing electronics for the particle accelerator. He has to be **curious** in order to diagnose and fix problems with his machine. Tristan's **self-motivation** allows him to keep learning during his apprenticeship. He has to be a good **communicator** and works as part of a team.

Tristan Canfer

Electronic Engineering Apprentice

This week's attributes:

communicator

Communicators are good at sharing information and ideas with other people.

curious

If you are curious, you want to learn new things.

self-motivated

Self-motivated people like to do things for themselves without being told how to do them.
