

Challenge your setting to build a village, town or city using the resources in the loans box along with resources from around your setting.

Large road jigsaw pieces and 4 large car mats- these could be used to plan the layout of your city.

Wooden train track- this could be used to design your travel network.

Wooden trains and cars- for use with the train track and car mats.

Lots of life-sized foam bricks- these could be used to create buildings in your city.

Hard hats and high viz jackets- these could be used to reinforce careers links. Everyone working on a building site, from architects to engineers to construction workers need to wear them.

	<p>Trundle wheels and tape measures for measuring.</p>	
	<p>Tool kit for constructing your city.</p>	

Books			

Careers links

The **Primary Science Teaching Trust** has some additional careers links you may like to look at. These are called “A scientist just like me” and introduce children to a diverse range of scientists.

The downloadable power points relevant to this box are civil engineers Jyoti Sehdev and Kath Waring:
