

## Magnet engineer loans box

This box supports the activities in the Play Be C magnet engineer unit. Scan the QR code to see the related activities.

	<p>Horseshoe magnets</p>
	<p>Variety of magnets including levitating magnets</p>
	<p>Set of magnetic letters</p>
	<p>Magnetic fishing games</p>
	<p>Smartmax magnetic building kit</p>
	<p>Magnetic trains and track – investigate magnets pulling and pushing using the trains. Can you get a train to push the carriages up a hill?</p>

	<p>Iron filings- investigate what happens when you put the magnets near to them.</p>
	<p>Magnetic building shapes</p>
	<p>Positive and negative (pushing and pulling) magnets</p>
	<p>We have STEM focussed questions to ask while reading this story on our Play Be C magnet engineer main page.</p>
	<p>Scan the QR code for more information about the contents of the box and supporting activities.</p>
