

**STEM** PERSON  
OF THE  
WEEK

# Amanda Brummitt

## Mechanical Engineer

Amanda is **imaginative** and designs the equipment that supports physics research at CERN. She is **open-minded** and can apply a variety of different skills within engineering to solve problems and challenges. Amanda uses computer modelling to understand and **communicate** what her designs will look like.

**Imaginative**

**Open-minded**

**Communicator**
