

STEM PERSON
OF THE
STEM WEEK

Liam Tang

Graduate Engineer

Liam works for an engineering and construction company that makes 'clean rooms'. Liam works on different projects which means he need to be **resilient** and **open-minded** to gain experience from them. He is also **committed** to making sure the projects are completed to a high standard.

Open-minded

Resilient

Committed

This week's attributes:

Open-minded

Open-minded people are willing to listen to new ideas and respect other people's views and opinions.

Resilient

Resilient people can quickly recover from difficult or challenging things.

Committed

If you show commitment, you stick with an activity and try your hardest to make it happen.
