

Light, Dark and Shadows Loans Box

	<p>Dark den – create a dark environment in your setting to investigate light, torches and shadows.</p>
	<p>12 dark den poles and 8 dark den corners in a bag. Slide the poles through the sleeves on the outside of the canvas and join at the corners to create a cube.</p>
	<p>Glow sticks to use in the dark den.</p>
	<p>Set of 6 rechargeable torches.</p>
	<p>Light panel. Mains operated, changes colour and brightness. Ideal for illuminating activities and for experimenting with colour changing.</p>
	<p>Variety of transparent materials and patterns to investigate and trace using the light panel.</p>
	<p>Tactile, squidgy shapes filled with a translucent coloured glitter gel for use with the light panel</p>

	<p>Colour changing fans to use with torches or the light box.</p>
	<p>Colour changing glasses.</p>
	<p>Wooden shadow puppets based on “The Black Rabbit” story.</p>

We have a lighting technician EYFS unit to go with this loans box. <https://nustem.uk/eyfs/lighting-technician/>

Activities include:

- Investigating light and shadow
- Making lanterns
- Sun dials
- Shadow puppets
