

How to make a pharmacy bag

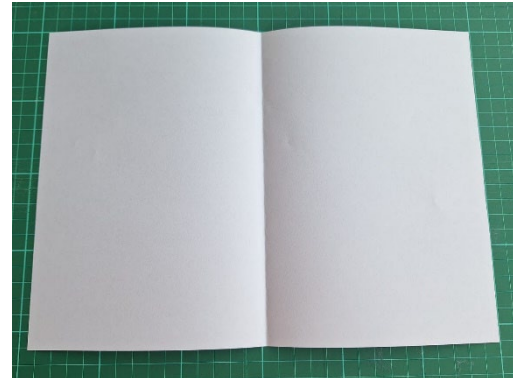

You will need:

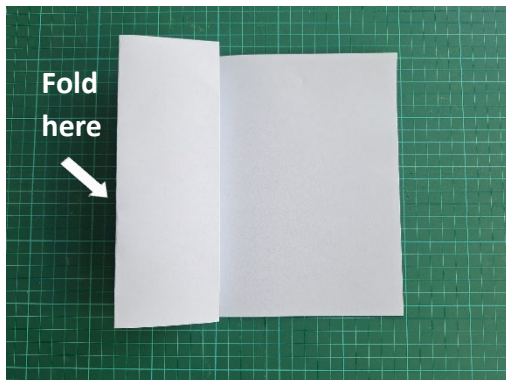

- A piece A4 card or paper
- A pencil
- Scissors
- A ruler
- Pharmacist sticker (optional)

1. Turn the paper landscape and fold in half.

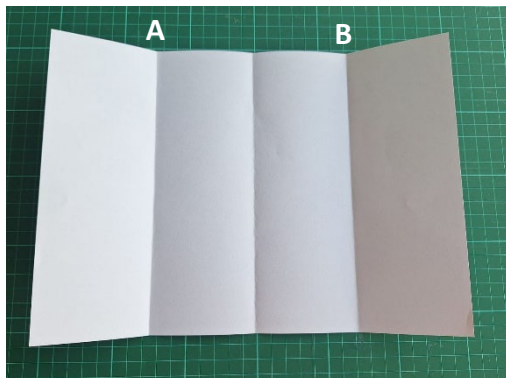

2. Unfold the paper.

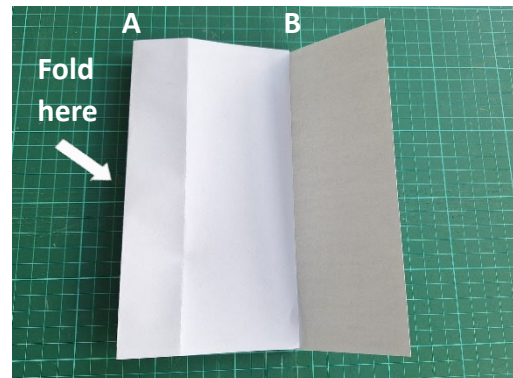

3. Fold the left edge onto the centre fold line.

4. Repeat with the right edge.

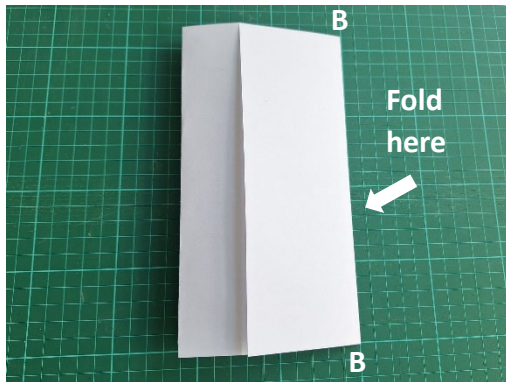

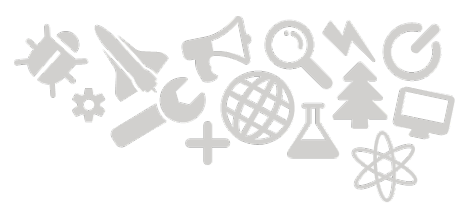

5. Unfold the paper.

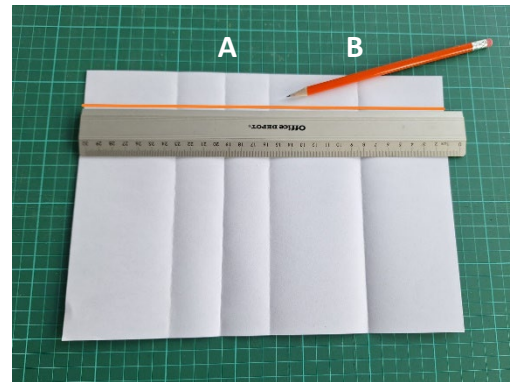

6. Fold the left edge along fold line A onto fold line B.

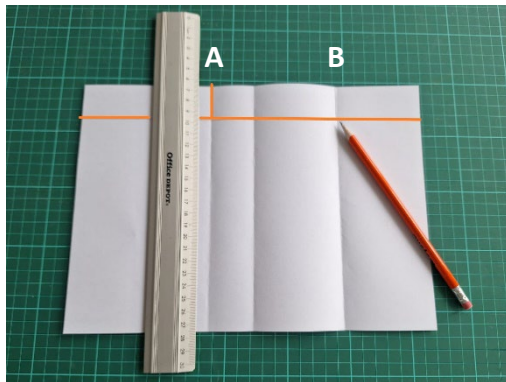

How to make a pharmacy bag

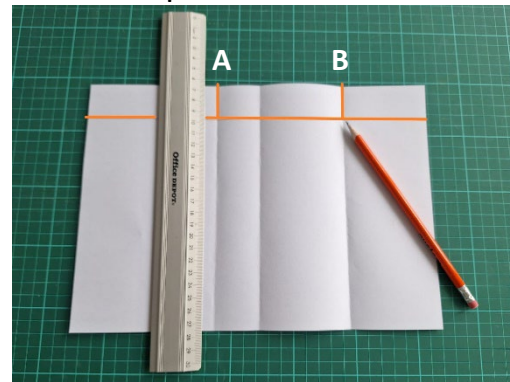

7. Fold the right edge along fold line B.

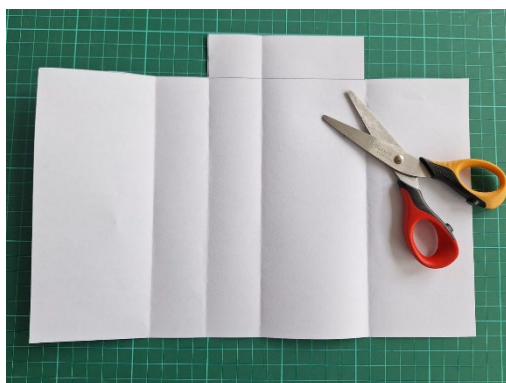

8. Unfold the paper and draw a horizontal line about 3cm from the top.

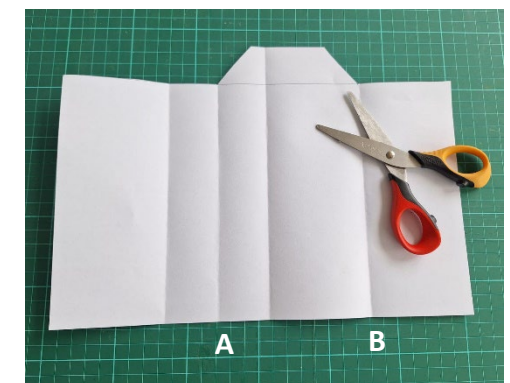

9. Draw a line from point A to your horizontal line.

10. Now draw a line from point B to your horizontal line.

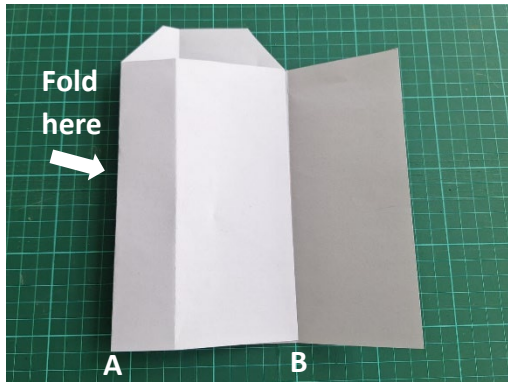

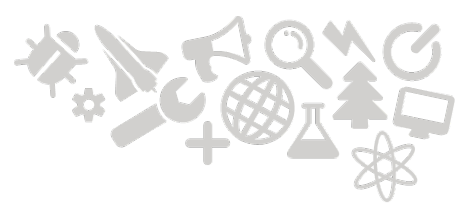

11. Cut along your lines to remove these sections.

12. Cut off the corners as shown.

How to make a pharmacy bag

13. Fold the left side along fold A onto fold line B.

14. Glue along the right edge.

15. Fold the right side along fold line B.

16. Glue along the tab.

17. Fold up the bottom of the bag.

18. Turn the bag so the opening is at the top. Stick on a pharmacist sticker or decorate.
